

Saint Catherine

Cougar Mail

Week of November 20th

Announcements

With Thanksgiving around the corner, we extend our sincere thanks and appreciation to our parents, families who work tirelessly every day to support our learners by making sure they are at school and ready for learning each and every day!

We hope next week our students, families and school staff take time over the Thanksgiving break to unplug, relax, and recharge. Enjoy time with your family and friends and celebrate the gift that you are to our school!
